

## **EKU Baccalaureate & Graduate Nursing**

### **Clinical Sites**

Health care agencies used to provide clinical experience for nursing students include hospitals, medical centers, clinics, health departments, and other acute care institutions. These various clinical sites have included but are not limited to Casey, Clay, Garrard, Jackson, Owsley, Powell, counties, and Corbin, Danville, Lexington/Fayette county, Richmond/Madison county, & Winchester/Clark county.

Click here to go to our [Clinical Agencies](#) web page.

Clinical sites are selected to provide students with a variety of learning experiences during their professional nursing education. Students are required to be flexible in terms of clinical placement location.
