*STA 215 or 270 or equivalent is a prerequisite for NSC 390 and can be taken any time before enrollment in NSC 390.

Class scheduling is dependent on student enrollment as well as faculty and clinical availability. The program reserves the right to alter the schedule plan as necessary to ensure a quality educational program. Verification of a current free and unrestricted KY (or recognized compact state) Registered Nurse license is required before beginning any classes in the program.

An individualized accelerated plan for RNs who have all general education completed before admission is available. See RN-BSN Coordinator for more information.
